Please read this carefully before Bidding and/or Buying!

In order to obtain a Bidder Number you will be required to provide a valid credit card number. You card will NOT BE CHARGED for any purchases. Upon registration your card will be verified for the amount of \$100. This amount will not be captured and may show up on your statement as Pending for as long as 72 hours. We do not keep the credit card information on file. This information is only used to verify that you are a real person. This is a secure bidding platform and your payment information is safe.

- **READ the Terms and Condition of the Auction.** You will be bound by them whether you have read them or not.

- **DOWNLOAD** the ProFit Equine Online App from the App Store or from Google Play to your iPhone or android phone or tablet. Search for "Pro Fit Equine Online". **Agree to receive Notifications to receive outbid notices during the Auction.**

Lots close ONE-AT-A-TIME. The First Lot closes at the designated closing time of the auction. Following Lots close one-at-a-time at a prescribed time following the first lot - for example every 4 minutes.

CREDIT CARD TRANSACTION FEE: a Credit Card Transaction Fee in the amount of 4% of the successful final bid for any horse purchased will be added to the Final Bid price to determine the total price. This fee will not be charged for purchases paid for by Cashier's Check, Wire Transfer, or cash. This fee covers costs for electronic financial transactions. The Seller is not responsible for this fee.

SALES TAX: Buyers residing in Virginia will be required to pay Virginia Sales Tax of 6% of the Total Price, unless Buyer is exempt and appropriate forms have been completed.

CURRENCY: All Transactions are in United States Dollars (USD)

Each Lot closes 4 minutes apart. If a bid is received in the last 3 minutes of bidding (see time remaining BELOW the picture of the item) then an additional 3 minutes is added to the clock until no bids have been received for 3 minutes. Extended bidding does not affect the closing time of the remaining items. In order to bid, please set up an account with a username and password.

HOW TO REGISTER TO BID:

- After signing into your account, find the auction you wish to register for, then click "VIEW AUCTION"

- Click on a "REGISTER TO BID" button.

- Next, fill in the necessary contact information and click "CONTINUE"

- Read the Terms Of Use, checkmark the box indication you've read them, then click "CONTINUE".

- Provide a valid credit card number, expiration date and card code. **THE CARD WILL NOT BE CHARGED.** It will be used to verify a credit limit sufficient to cover \$100. *If you are the high bidder and you fail to satisfy the terms and conditions you just agreed to, Profit Equine will be authorized to charge your card for this amount.*

Transportation of the horse is the responsibility of the Buyer.

HOW CAN I BID?

PreBid: Once the auction is registering bidders and items are listed in the auction, PreBids can be placed. This is NOT a competitive bidding situation – submitted bids will not be disclosed until the start of the live bidding in the auction. When the bidding goes live the current high bid will show. Bidding is transparent and once the auction is live all PreBids will be disclosed under each item.

Bid the Ask: This is the most common type of bid in which you simply bid the amount the auctioneer is asking for an item. The bid button displays that ask amount, and tapping or clicking on the button twice will enter a bid for that amount.

Tap again to confirm your bid amount. If you decide not to bid, tap on the x to cancel your bid. The system now recognizes your bid.

Max Bid: A max bid authorizes the system to bid according to the auctioneer's specified increments up to your maximum bid amount. Your bid will never exceed the maximum amount you choose, and will only be bid up beyond the asking price if raised by competing bids. This is a great method of bidding if you aren't able to bid actively at the time the item approaches closing.

To place a max bid, click on the arrow to the left of the bid button and click or tap.

In the dialog box, enter your max bid, and then click "Place Maxbid"

You can now see both your current and max bid for the item.

Bid a Specific Amount: To bid a specific amount, click or tap on the arrow to the right of the bid button, and click on "Bid a Specific Amount."

Enter your custom bid amount in the dialog box, and click on "Place Bid."

You can now see you are the high bidder for your custom amount.

SAVING ITEMS: Items can be saved to a personal items list called 'My Items'. To add items to this list, navigate to the auction you're bidding on:

Find an item you wish to save and click on the star-shaped button:

The star will fill in to indicate that it has been saved, and the "MY ITEMS" tag near the top right will turn orange to indicate that there are items saved:

BUYER PAYMENT AND RELEASE OF ITEM:

After the auction has closed, invoices are emailed to all buyers. Payment is required within 3 business days of the close of the auction. Payment is made directly to the auction company.

Methods of Payment accepted include Credit Card, Bank Wire or Cashiers Check sent by Overnight Mail. A Buyer's Transaction Fee in the amount of 4% of the successful final bid for any horse purchased will be added to the Final Bid price to determine the total price. This fee will not be charged to purchases paid for by Cashier's Check, Wire Transfer, or cash. This fee covers costs for electronic financial transactions. The Seller is not responsible for this fee.

Buyer Confirmation emails are sent to the buyer and the seller once the auction company has received sale proceeds.

Once you have received the buyer confirmation you can make shipping arrangements for your purchase.
